Set up Mobile Suica today and enjoy a smooth and easy trip in Japan!

How to Use Suica on iPhone (Step-by-Step Guide)

1. Open Apple Wallet

Start by opening the Wallet app on your iPhone.

2. Add a Suica Card

1. Tap the “+” button in the top right corner.
2. Select “Transit Card” from the options.
3. Choose “Suica”.

Note: If you don't see Suica, go to Settings > General > Language & Region, and change the region to Japan.

4. Follow the on-screen instructions to either:

- Create a new Suica card, or
- Transfer your physical Suica card to your iPhone.

3. Add Money to Your Suica

- You can charge (add money to) your Suica using a credit or debit card that's registered with Apple Pay.
- Many travelers start by adding ¥5,000 to ¥10,000 and top up as needed.
